

IT6034 Project Game Overview

Title - Fetch!

Intended Platforms - PC / Mac

Target Age - All ages

OFLC Classification - General audiences (G)

Game Story - Spike the dog, is a very energetic dog loved by all. One day his owner fell asleep at the park and Spike still had lots of energy to burn. So Spike takes it upon himself to run around and steal all of the other dog owners frisbee's as they throw them. He believes if he retrieves a certain amount, his owner will be really proud of him.

Unique Selling Points -

Everybody loves dogs, so being able to become the dog in this video game will help the player know what it is like to live in their paws.

As the player proceeds through each level, the difficulty will increase, this will provide a sense of achievement for the player once they are able to conquer each level.

Each level brings new added obstacles to liven up the game.
